## GUESTGATE™ MK II

### WIRELESS HOTSPOT GATEWAY

# GuestGate MK II

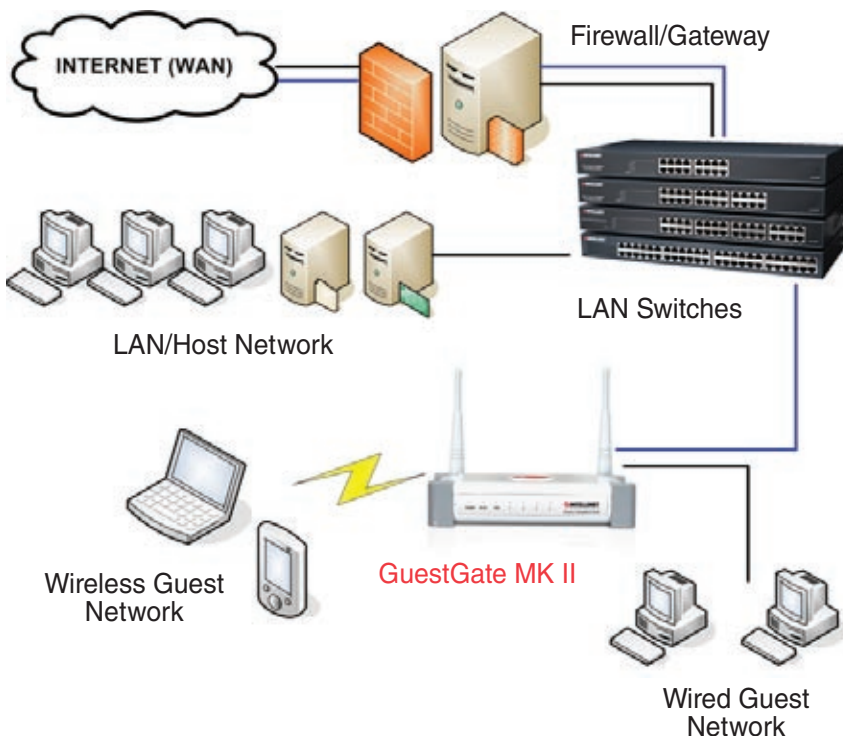

## Wireless 300N HotSpot Gateway

**Provide guests with Internet access while keeping your network secure.**

Now you can easily accommodate guests in your offices, such as consultants, auditors, professional service providers, manufacturing representatives and clients, without burdening your IT administrator with last-minute LAN configuration requests. Simply install the INTELLINET NETWORK SOLUTIONS

GuestGate Mark II Wireless 300N HotSpot Gateway, and your visitors will be able to access the Internet from your conference room, office, Internet café, hotel or other accommodations in your facility without compromising the security of your network.
